A NOTE FROM MS. BROWN

Dear JBS Community,

I hope all of your families are safe and well in these difficult times. I am so looking forward to being able to walk into the schools and see your smiling faces. Let's hope that will be soon.

- *Julia Brown*

THANK YOU

We are so grateful for the outpouring of support we have received from our JBS community in this past month. During this time, we came together as a family. We will continue to get through this together.

Keep sharing your at-home Montessori life with us @juliabrownschools for a chance to be featured!

"We want the assistants to know how much we appreciate the love and care they show our kids every day and also know we care for and love them too!"

"I appreciate all the content on the Distance Learning site, and now I can more easily figure out what I'm doing with the kids each day."

"My son had the biggest smile on his face watching Ms. Surendren and listened closely during the lesson we watched so far. Thank you so much for offering this opportunity. We've gained some comfort knowing we can still be connected during these uncertain times."

"I am happy to know that my daughters attend such a great school that cares not only for the students well being, but also the teachers and the rest of the staff. I highly appreciate the efforts the school is making to continue to help us educate our children during this difficult time."

My little one loved being able to see Ms. Ton this morning for circle time and was singing right along with her! 😊 Thank you JBS for the continuous efforts to educate. ❤️

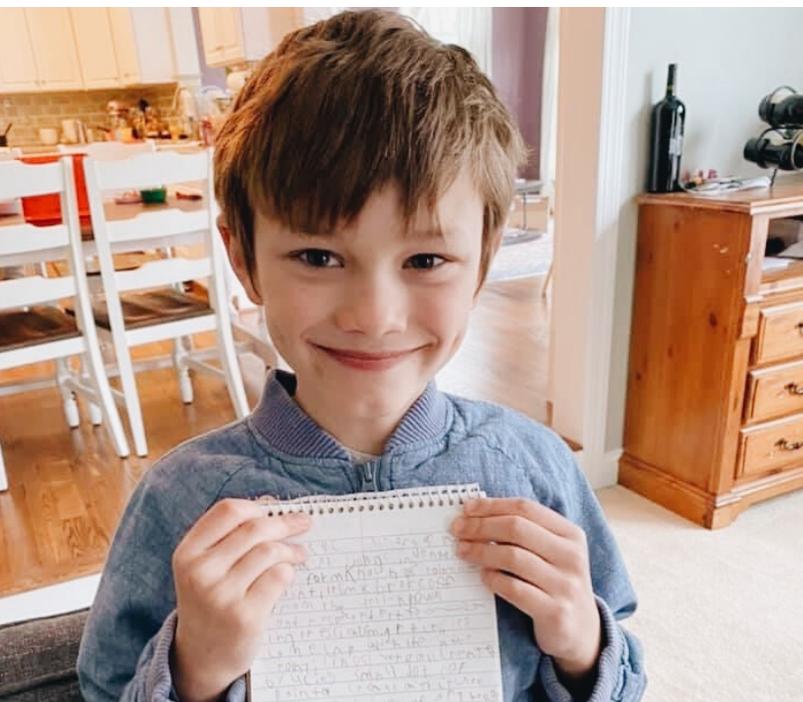

"My daughter's Montessori school launched their distance learning program yesterday. She got to see her teacher in a video circle time. She LOVED it! She was able to sing songs that they had been learning in Korean with her teacher! We love JBS!"

“My son’s Montessori school doing an amazing job with virtual learning, this made his day!”

“Thank you and the entire staff at JBS for your efforts in providing parents with as much information as possible as we go through these unprecedented times that have changed our daily life. The continuous commitment of JBS in striving to provide quality education is very much appreciated and while we are at home, we are striving to do the same and look forward to the day when we can return to school and the personal touch that JBS adds to our child's educational experience.”

you're doing a great job
you're doing a great job
you're doing a great job

“My son was so excited when his teacher said hi to him during circle time! I am very excited about the distance learning curriculum and truly appreciate the JBS staff.”
